## PillowFit Deluxe Nasal Pillow CPAP System

| Item #   | Product Description                                  | UOM  |
|----------|--|------|
| 100NP    | PillowFit Deluxe Nasal CPAP System                   | 1/ea |
| 100NP-NH | PillowFit Deluxe Nasal CPAP System, without Headgear | 1/ea |

- The PillowFit Deluxe maximizes compliance by offering superior comfort with minimal facial contact during PAP therapy in a lightweight, easy to use and assemble design.
- For the best fit and minimized leak, the PillowFit Deluxe includes three pillow sizes, and has been developed with a 360° rotating elbow connection with silicon tubing and a simple strap design.
- By providing a mask option without headgear, a more cost effective option is available based upon the reimbursement schedule.
- Latex Free.
