

Your First Choice For Gloves

Safe-Touch Blue Nitrile Examination Gloves Powder-Free—Strong—Sensitive to the Touch

For all-around industrial and medical use. Resistant to many chemicals, Dynarex nitrile gloves are formulated to go on easy and provide consistent quality at a reasonable price. That's what Dynarex Blue Nitrile Safe-Touch Exam gloves achieve. Dynarex gloves are the first choice in nitrile gloves all across America. The nitrile material provides an added degree of durability. They also feature textured fingertips that provide enhanced grip and dexterity.

Dynarex Blue Nitrile Examination Gloves

- *The ideal solution for individuals sensitive to natural rubber latex and donning powder*
- *Contains no allergy causing natural rubber proteins*
- *Extraordinary strength and puncture resistance while maintaining tactile sensitivity*
- *U.S. Patent No. Re. 35,616 Patent*
