

NEW

Now you don't have to compromise materials compatibility for a fast kill time. With CaviWipes1™ you can wipe out TB and over 20 other microorganisms in just 1 minute and with only 1 step.

CaviWipes1™ is the only low-alcohol, surface disinfectant wipe that kills TB in 1 minute.

CaviWipes1™ is the ONLY low-alcohol surface wipe on the market with a 1 minute contact time on ALL labeled organisms, including TB. You can have peace of mind knowing that only 1 wipe will help you achieve compliance without damaging surfaces.

Features

- 1-minute kill time
- 1-step cleaning and disinfecting
- Clinically relevant efficacy claims
- Conveniently packaged
- Materials compatibility

Benefits

- Improved compliance and decreased risks of cross contamination
- Improved staff efficiency and reduced costs
- Kills organisms that pose a threat in today's environment
- Ready-to-use, provides flexible and convenient infection prevention at your fingertips
- Compatible with common hard, non-porous surfaces found in the clinical environment

Over 220,000 medical facilities use Metrex surface disinfectants. The best just keeps getting better.
