- Protect your displayed items from the sun and the rain with a Weather Sentinel™ outdoor enclosed bulletin board cabinet.
- Keeps water out with a top-mounted drip rail, galvanized steel back panel sealed with silicone, and weather stripping on all door openings.
- Anodized aluminum trim and a virtually indestructible and moisture-resistant Rubber-Tak™ back panel provide protection from UV rays. Also available with a half Rubber-Tak™ and half porcelain steel dry erase back panel.
- Choose a cabinet with a top hinge, or a side hinge set up with either a single or double door. Locks prevent tampering.
- Manufactured in the US of foreign and domestic materials. TAA compliant. 5 year guarantee.
