

DD-301

Rechargeable Non-display Doppler

Newman Medical

Newman Medical is proud to offer a full line of Dopplers with the performance and durability you expect to meet your application - obstetrical or vascular. The **DigiDop 301 rechargeable, non-display** Doppler has unique features not found in other Doppler systems such as Digital Optimized Processing (DOP™). Each DigiDop is designed with the sensitivity you need while also designed to be tough and last through years of everyday office use. All our products are **Made in the USA in Colorado**. Each Newman Medical Doppler and probe must pass a series of comprehensive tests to assure quality and the durability of each product.

Features:

- ✦ **Best Sound** - Digitally Optimized Processing – DOP™ produces up to 6x signal of other Dopplers
